HEALTH FOR THE STATES!!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISGORGED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.
Copy of a letter from Mr. John Lloyd of Elmira, near Honesdale, Pennsylvania

To Professor HOLLOWAY:

Sir—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swoonings in the head, a feeling of loss of appetite, disordered stomach and generally impaired health. Every means had hitherto given me any permanent relief, and at length I became so alarmed that I was ready at any time of going about without an attendant. In this melancholy condition I waited peevishly upon Mr. Hughes, Chemist, Honesdale, for the purpose of consulting him as to what I had better do. He kindly recommended your Pills, I took them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient Servant,

John B. 82c. (Signed) JOHN LLOYD.

To Professor HOLLOWAY:

DEAR SIR—I feel it a duty to you and the public at large to inform you of a most miraculous recovery from bad health disease, Drury, and which once was effected by your invaluable Pills. I was ill for two months with eight months, and skillfully treated by two medical practitioners, but could not cure, until I had recourse to your remedy, and only obtained all I had undergone, this miraculous medicine cure, in the course of six weeks.

(Signed) EDWARD ROWLEY.

McNeil's Spring Style of Hats.

W. McNeil, 10 Market Street, Philadelphia, Pa.

I am introducing my style of Hats for the Spring of 1853. I would ask especial attention to the combination of 10 percent of the most important qualities of a hat, viz. beauty and utility. It is light, yet strong; of correct proportions, and at the same time fully adapted for a summer hat. In the manufacture of Hats, my motto is "Excellence." The highest material and the best workmanship, united with the most minute vigilance of supervision, cannot fail to produce a hat worthy of the name.

I have a full assortment of the finest goods in my line, comprising all that is now rich and fashionable in Hats, Caps, Straw and Panama Goods, especially intended to meet the demands either of towns or of a community now rapidly advancing in wealth, refinement and taste, in all the wants that follow. At the same time I can set the staple goods of the trade as low as any other firm. Yours,

W. McNeil, 10 Market Street, Philadelphia, Pa.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the Clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder! GREAT CURE FOR DYSPEPSIA!

Dr. J. S. HOUGHTON'S

THE TRUE DIGESTIVE FLUID, OR, GASTRIC JUICE.

Prepared from Bennett, or the fourth stomach of the ox, after digesting by Baron Liebig's—great Physiological Chemist by J. S. HOUGHTON, M. D., Philadelph. Pa.

PEPSIN—Such is the true meaning of the word Pepsin. It is the chief element, or great digesting principle of the Gastric Juice—the solvent of the fluid, the purifying, preserving, and stimulating agent of the stomach and intestine. It is extracted from the digestive stomach of the ox, thus forming a true digestive fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it.

This is Nature's own remedy for an unfeeling stomach. No man can equal its curative powers. It contains no acids, bitters, acids, or noxious drugs. It is extremely agreeable to the taste, and may be taken by the most feeble patients who cannot eat a water cracker without the most acute distress.

PEPSIN— Beware of drugged imitations. Pepsin is not a drug.

Half a teaspoonfull of Pepsin dissolved in water, will digest five pounds of roast beef in about two hours, out of the stomach.

Scientific Evidence!

The Scientific evidence upon which this remedy is based

is in the highest degree curious and remarkable.

Call on the agent and get a circular circular, gratis giving a large amount of scientific evidence from Liebig's Animal Chemistry; Dr. Combe's Physiology of Digestion; Dr. Peacock's Food and Diet; Dr. John W. Draper of New York University; Prof. Dugald's Physiology; Prof. S. S.之下, of Yale College; Dr. Carpenter's Physiology, &c., together with reports of cases from all parts of the United States.

Pepsin in Fluid and Powder.

Dr. Houghton's Pepsin is prepared in Powder and in Fluid Form—and in Prescription valid for the uses of Physicians. The powder will be sent by mail, free postage, for one dollar sent to Dr. Houghton, Philadelphia.

PEPSIN 2000—Every bottle of the genuine Pepsin bears the written signature of J. S. Houghton, M. D., Philadelphia, Pa. Copy-right, 1851. Trade Mark secured. Sold by all druggists and dealers in medicines. Price, ONE DOLLAR, per bottle.
